KEY BENEFITS

In the event your vehicle is declared a total loss, we will pay to the policy holder or the financier (if lease balance outstanding) of their vehicle as follows:

- We will pay the greater of either;
 - the difference between the comprehensive insurer's total loss payment and the price the consumer originally paid for the vehicle, or
 - the difference between the comprehensive insurer's total loss payment and the amount needed to settle the consumer's outstanding finance contract balance
- A minimum payment of \$5,000 applies to all valid claims

By providing benefits such as a minimum payment of \$5,000 and the greater of the finance contract balance or purchase price in the event of a total loss, places the consumer in the best possible position throughout the loan period.
